

Ameris Bank Amphitheatre Hits High Note as North Georgia's Premier Music Destination

With record-setting crowds, sustainability initiatives and an electrifying 2026 lineup, Alpharetta's world-class venue continues to draw fans from across the nation.

ALPHARETTA, GA – January 29, 2026 — Since opening in 2008, Ameris Bank Amphitheatre has become North Georgia's premier live entertainment venue. After hosting 35 concerts in 2025 and with 17 events already on the calendar for 2026, this world-class venue is preparing to welcome more than half a million music fans to Alpharetta.

“Pairing the highest quality production and everything the City of Alpharetta has to offer is what makes Ameris Bank Amphitheatre stand out as a concert venue,” says Trevor Ralph, VP of Operations with Live Nation Entertainment. “We attract some of the biggest names in music, as well as up-and-comers, because of the magnificent facility and support of the community.”

Beyond its exceptional performances, Ameris Bank Amphitheatre stands out for its commitment to both the concert experience and community impact. Conveniently located and designed for accessibility, the venue offers ample on-site and nearby parking, along with a clearly designated rideshare pickup and drop-off zone. This setup minimizes congestion and ensures guests enjoy a safe, seamless trip to and from the venue, whether from home or a nearby hotel.

Sustainability is another key focus. Ameris Bank Amphitheatre sells canned water instead of plastic bottles, has a robust recycling program with venue-wide stations and donates leftover food

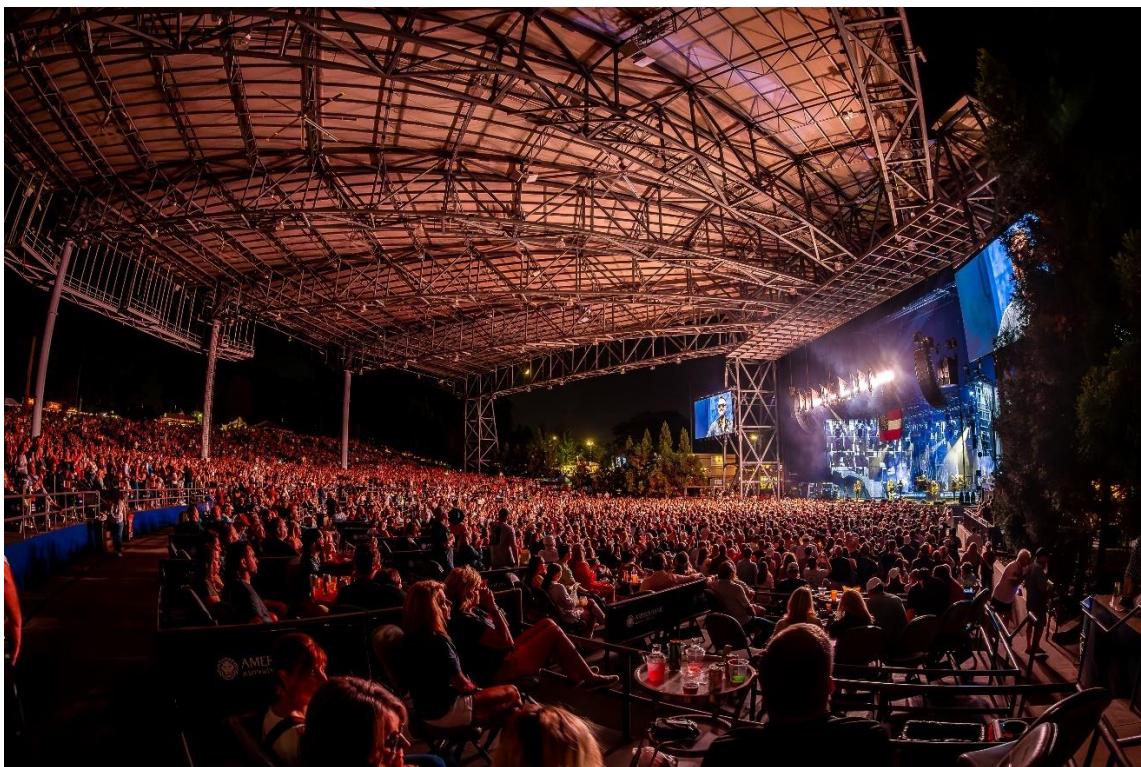

and concert materials to local nonprofits, reinforcing both environmental responsibility and community support.

In addition to concerts, the 60,000-square-foot facility hosts conferences, corporate events, fundraisers, private concerts and graduations. Equipped with state-of-the-art lighting and audio, custom catering and expert event staff, the 60,000-square-foot venue accommodates up to 12,500 guests and is conveniently located near the city's conference spaces, hotels and dining options.

“It’s been exciting to watch the growth of Ameris Bank Amphitheatre for almost two decades,” stated Janet Rodgers, President and CEO of the Alpharetta Convention and Visitors Bureau. “We have had attendees from all over the country visit our city to see first-class entertainment and explore the dining, shopping and activities that make Alpharetta a premier destination for everyone.”
